

## Volcan

**Product Categories:** [All Terrain Tractors](#)

**Product Page:** <https://www.kilworthmachinery.co.uk/product/volcan/>

### Product Summary

The Volcan is the largest All Terrain Tractor within the BCS range. It has the reverse drive system as standard and is available with a choice of 3 engines up to 92HP. Although engine power is high, the tractor remains compact and weighs only approximately 2150kg with the optional cab. It is suitable for a range of tasks from estate maintenance and forestry through to contract mowing on roadside verges and embankments.
