

# Super Bowl

*There's no mistaking the user intention for this superb mower. With its 51 cm wide, ten blade cutting cylinder it has been specifically designed for regular mowing of bowling greens. Power is provided by an easy start, 2.8 hp Honda engine providing drive to the two-piece cast iron rear roller.*

*The smooth front roller is manufactured from steel for improved durability. Like the Super Certes there are optional Verti-Groom and brush and comb sets available to further enhance the quality of cut.*
