Tractors and UTV's

Daedong Industrial Co, Ltd is located in Daegu, South Korea, and has been a world leader in the engineering and development of mechanised farming equipment for over 65 years. The company's responsiveness to complex market challenges, manufacturing excellence, and commitment to durable, high quality products has resulted in products being sold under the Kioti brand in more than 30 global markets.

Currently Kioti manufacture a vast range of tractors from 25 to 89HP in addition to this is the Mechron Utility vehicle which further broadens the Kioti appeal to a whole new customer base. Kioti's dedicated research and development team continues to lead the field through development of new environmentally friendly engines and new product lines.

CS2610

The CS2610 is Kioti's first entry into the subcompact tractor market. The tractor can be fitted with the optional mid mounted deck which turns the tractor into a highly productive mower.

KEY FEATURES

- Powerful 26HP diesel engine
- Twin Range HST with easy to use twin pedal design
- Independent Rear and Mid PTO
- High ground clearance
- Optional quick attach Mid Mounted Mowing Deck

	CS2610
Power	26 hp
Transmission	2 Range HST
Mid PTO	2.200 rpm
Rear PTO	540 rpm
3 Point Linkage	Cat 1
Lift Capacity at ball ends	715 kg
Lift Capacity at 24" AFT	318 kg

CK2810

The CK2810 was developed due to customer demand for a higher horsepower model in a more compact package, powered by a 28HP clean burn diesel engine the tractor can be supplied with a choice of either 6F/2R manual transmission or an easy to use 2 range HST

KEY FEATURES

- Proven 28HP diesel engine
- Choice of transmissions
- Heavy duty build quality
- High lift capacity
- Foldable ROPS

	CK2810
Power	28 hp
Transmission	Twin Range HST / 6F 2R Manual
Mid PTO	Opt
Rear PTO	540 rpm
3 Point Linkage	Cat 1
Lift Capacity at ball ends	739 kg
Lift Capacity at 24" AFT	546 kg

CK35

The popular CK35 is suitable for use by both private and commercial users, with heavy duty transmissions and high capacity hydraulics the CK35 is a true work horse tractor

KEY FEATURES

- 34HP clean burn diesel engine
- 8F/8R Manual transmission or three range HST
- Dual range rear PTO with 540 and 1000 rpm speeds
- Floating linkends and pin type stabilizers
- Folding ROPS

	CK35
Power	34 hp
Transmission	8F/8R / 3 Range HST
Mid PTO	Opt
Rear PTO	540 & 1000 rpm
3 Point Linkage	Cat 1
Lift Capacity at ball ends	-
Lift Capacity at 24" AFT	800 kg

DS4510

The DS series appeals to the cost conscious customer looking for a simple “No Frills” tractor that still offers high productivity and long term durability

KEY FEATURES

- Proven 45HP clean burn diesel engine
- Heavy Duty 8F/8R manual transmission
- Independent rear PTO
- High lift capacity
- ROPS

	DS4510
Power	45 hp
Transmission	Constant Mesh 8F/8R
Mid PTO	N/A
Rear PTO	540 rpm
3 Point Linkage	Cat 1
Lift Capacity at ball ends	-
Lift Capacity at 24" AFT	1.100 kg

NX4510/5010

The all NEW NX series offers class leading performance and durability. These models use Kioti's proven clean burn diesel engines Available with a choice of 24x24 creep speed manual gear box or New Advanced HST

KEY FEATURES

- Proven diesel engine
- Auto PTO
- High lift capacity with external lift arms
- ROPS or Cabin models available

	NX4510	NX5010
Power	45 hp	49 hp
Transmission	3 Range Advanced HST/ 24x24 Manual	3 Range Advanced HST/ 24x24 Manual
Mid PTO	2.000 rpm	2.000 rpm
Rear PTO	540 rpm	540 rpm
3 Point Linkage	Cat 1	Cat 1
Lift Capacity at ball ends	1605 kg	1605 kg
Lift Capacity at 24" AFT	1441 kg	1441 kg

NX5510/6010

The NX5510 & NX6010 tractors feature Kioti's New environmentally friendly TIER 4 diesel engines. Offering high power with low fuel consumption. All models are available with ROPS or a deluxe factory fitted cabin.

KEY FEATURES

- New Tier 4 diesel engines
- Auto PTO
- High Capacity Hydraulics
- Heavy duty three point linkage with floating link ends

	NX5510	NX6010
Power	55 hp	60 hp
Transmission	24x24 Manual / 3 Range HST	3 Range HST
Mid PTO	2.000 rpm	2.000 rpm
Rear PTO	540 rpm	540 rpm
3 Point Linkage	Cat 1	Cat 1
