

# RTM Paddock & Estate Sweeper

The **SUFFOLK** Sweeper collector - for Pastures and estates

**British designed  
and built.**

- Very low running and maintenance costs.
- 1.9m working width with large easy to empty discharge hopper.
- Simple hydraulic empty with single hydraulic feed requirement.
- PTO driven - with low HP requirement.
- Mounted on 3 point linkage but runs independently on four rubber wheels.

*Rejuvenates grass by removing dead and loose materials.*

*Successfully cleans turf surface, collecting droppings, leaves and materials in hopper.*

***A very cost effective way of keeping paddocks, parks, estates and turf surfaces well maintained.***
