

**The Smithco Wind Star is a high capacity, belt-driven blower that easily clears debris such as leaves, and heavy grass clippings. It's also a must have if you need to clear moisture from golf greens and tees. This rugged and heavy blower is operational with any tractor that provides 35hp at the PTO.**

The Smithco Windstar is a high capacity, belt-driven blower that will easily clear debris such as leaves, and heavy grass clippings. It is also a must have if you need to clear moisture from golf greens and tees. By controlling more air to the ground, this machine blows debris further giving you a more efficient operation.

**Power Source:** 540 PTO

**Blower Diameter:** 102 cm (40")

**Special Features:** Powerful blower with adjustable flap for direction of air flow from either side
