### CONVENIENCE AND SAFETY TO IMPROVE YOUR EVERYDAY WORK

**1- KOHLER KDI 75 HP (55.4 KW) 4-cyl. diesel engine** Water-cooled, direct injection

**2- «SWING» PILOT SYSTEM**

The machine configures 3 three different engine speeds with the chipper-shredder's performance data – depending on the material to be chipped, the number of feeds and the velocity of the feed

**3- COMPLETE CHIPPER-SHREDDER ROTATABLE AROUND 360°** – The feed hopper is therefore always there where you need it

**4- SERVICE HOODS** Quick and easy access to all service points

**5- 5- BRAKING TANDEM CHASSIS** Fully galvanised, with height-adjustable drawbar with DIN towing eyes or ball head
