INNOVATION

# WORLD LEADER IN ROBOTIC MOWING SINCE 1995

25 years of research, innovation and lush, green lawns have made Husqvarna Automower® the world leader in robotic mowing. We've sold more than 2 million around the world – and our latest generation is the most advanced on the market. Designed for functionality and durability, they work quietly, efficiently and autonomously to give you a better finish than any other mower. Day and night, whatever the weather, Husqvarna Automower® gets on with the job. Leaving you to focus on more important and fun tasks, and enjoy a beautiful, perfectly cut lawn everyday.

# HUSQVARNA AUTOMOWER® - WHAT YOU GET

Drive motors with Ultrasilent technology enable extremely low noise levels

Remote object detection makes the mower slow down before bumping into an object

Automower® Access – interact intuitively via high resolution colour display and jog wheel (Automower® 435X AWD)

Low weight and smart design allows for high capacity and low energy consumption

All-wheel-drive and unique articulated body design with excellent manoeuvrability – for complex and steep gardens

## EXCELLENT SLOPE PERFORMANCE

Thanks to the all-wheel-drive, Husqvarna Automower® AWD can cope with slopes up to 70% (35°) whereas other models manage slopes of up to 45% (24°).

GPS-assisted navigation ensures uniform cutting result in complex gardens

Energy efficient LED lights for better visibility during night time mowing

Weather timer automatically adapts the amount of mowing to the lawn growth rate – for a carefree operation

Machines must be registered by an Authorised Husqvarna dealer  
Find out more on page 21

## GPS-ASSISTED NAVIGATION FOR OPTIMAL MOWING IN COMPLEX AREAS

Husqvarna Automower® X-Line & 500 Series have an onboard GPS system that creates a map of the lawn. The robotic mower knows exactly which parts of the lawn it has covered and optimises the mowing pattern automatically.

## AUTOMOWER® CONNECT JUST ADD A SMARTPHONE

Automower® Connect is a feature that gives you full control of the mower right in your smartphone. You can send start, stop and park commands, check and adjust the settings, and also receive alarms and track your mower's position in case of theft – wherever you are. Standard on X-Line, 500 Series and AWD models. [Read more on page 15.](#)

**10 YEARS OF FREE CONNECTIVITY INCLUDED!**

## THINGS TO CONSIDER WHEN BUYING A HUSQVARNA AUTOMOWER® ROBOTIC MOWER

To decide which robotic mower you should go for, there are a few things to consider as mentioned below: Your desired working hours, the size of your lawn and the complexity in terms of slopes, shape, passages and other obstacles. Visit the Robotic Lawn Mower section on the Husqvarna website for more information and guidance. There you will also find our interactive lawn calculator to help you decide.

READ MORE AT  
[HUSQVARNA.COM/UK](https://www.husqvarna.com/uk)

### COMPLEXITY

If your lawn is plain and square, a less advanced robotic mower can do the job. On the other hand, if the lawn contains slopes, narrow passages, uneven areas and frequent obstacles such as bushes and trees, we recommend that you go for a mower with proven capability to handle such challenges.

## WHY A HUSQVARNA AUTOMOWER® ROBOTIC MOWER WILL IMPROVE THE QUALITY OF YOUR LAWN

Husqvarna Automower® uses razor-sharp blades to cut every blade of grass little by little, resulting in a lush, green lawn that conventional blades cannot achieve. The lawn is mowed frequently, in rain and shine, producing grass clippings so small that no collection is needed. The clippings become natural fertiliser, keeping your lawn lush, green and moss free.

The Weather timer function adapts the time spent mowing so Husqvarna Automower® works more in periods of strong grass growth and less in dry, sunny weather. And the electric cutting height adjustment enables you to adjust the length of your grass with a simple push of a button on the keypad, or remotely with the Automower® Connect smartphone app.

### WORKING HOURS

Your robotic mower shouldn't be working while your family members want to play and relax on the lawn. Make sure you choose a Husqvarna Automower® with enough capacity to mow the entire lawn during the time when your lawn is free of activity. If you plan to mow at night, choose a model with Ultrasilent drive motors for minimal disturbance.

### SIZE OF YOUR LAWN

The mowing capacity specified for any robotic mower is a maximum value that can be obtained if the mower works 24 / 7 and only stops to charge the battery. Therefore, we recommend that you go for a mower capacity that substantially exceeds the size of your lawn, to have time also for play and other activities. Please see page 8 for more guidance.

*Example: If your lawn is 500 m<sup>2</sup> and you want your robotic mower to work between 8–16 every day (8 hours / 24 = 0.33) the specified capacity should be at least  $500/0.33 = 1,500 \text{ m}^2$*

# HOW IT WORKS!

Cutting little and often, leads to more efficient cutting and healthier grass.

**THE  
WORLD LEADER  
IN ROBOTIC  
MOWING**

## PRINCIPAL FUNCTION

- + Unattended mowing.
- + Mow little but efficiently and frequently.
- + Good performance even in wet weather.

## COLLISION AND LIFT SENSORS

Collision and lift sensors increases safety. When the mower runs in to an object it will reverse, turn and choose another direction. If it is lifted the blade and mower will stop immediately.

## NAVIGATION

- + The boundary and guide wires are pegged to the lawn or buried just below the surface. A pegged wire disappears into the lawn in a few weeks.
- + The mower stays inside the boundary wire laid around the perimeter of the working area.
- + The charging station transmits a signal around the boundary wire ensuring the mower stays within the working area. The boundary wire can also guide the mower to the charge station.

## IRREGULAR MOVEMENT PATTERN

- + No need for specific programming.
- + Covers all parts even if the lawn is complex and/or contains trees, flowerbeds, passages, etc.
- + Allows the grass to get cut from different directions. Creates a smooth carpet-like surface.

WEEK 1

WEEK 2

WEEK 3

WEEK 4

## TRADITIONAL VS AUTOMATIC MOWING TECHNIQUE

The principal function of the Husqvarna Automower® provides the service of a well cut lawn, not just a lawn mower. Things like horsepower, cutting width and technical details become less important with a Husqvarna Automower® that cuts your lawn day in, and day out.

## RECHARGING

When it's time to recharge, the mower finds the charger by one of three methods.

1. By picking up a signal from the charge station antenna.
2. By following the guide wire back to the charging station.
3. By following the boundary until within reach of the home signal.

## EFFICIENT CUTTING TECHNIQUE

- + The grass is cut with three fine, razor-sharp blades.
- + The three free-hanging blades are mounted on a disc and are easily replaced.
- + The blades can rotate back into the disc to minimise damage, should they hit hard objects – stone, branches, etc.
- + The grass mown is so fine and small that it does not need to be collected.

## HOW TO CALCULATE THE LAWNS INCLINATION?

1. Place one end of a spirit level on the ground, and hold it horizontally.
2. Measure the distance down to the ground from the end of the level in the air. This distance divided by the length of the level is the inclination in %. If the measurement is 10 cm and the length of the level 50 cm the inclination is 20%.

## MOWING CYCLE

- + The concept is to keep short grass short.
- + Husqvarna Automower® finds the charging station automatically.
- + Charges for approximately 60 minutes.
- + Resumes mowing, day in and day out regardless of the weather (except snow).

## UNSURPASSED CUTTING RESULT

Husqvarna Automower® uses razor-sharp blades to cut every blade of grass, resulting in a lush, green lawn that conventional blades cannot achieve. The grass clippings become a natural fertiliser, helping keep lawns lush, green and moss free.

# THE BENEFITS OF HUSQVARNA AUTOMOWER®

## ADVANCED NAVIGATION

Several navigation tools, including GPS (on X-Line & 500 Series), ensure Husqvarna Automower® covers your entire lawn, even in complex gardens.

## NO NOISE. NO FUSS

You'll hardly notice it as it rolls around your garden doing its job quickly, quietly and efficiently. No noise, no fuss – just a great looking lawn.

## AUTOMOWER® CONNECT

Control the operation of your Husqvarna Automower® from your iOS or Android smartphone, including location and theft alarm.

## WORKS IN THE RAIN

Husqvarna Automower® gives you great cutting results in any type of weather. Its vital parts are safely protected from rain, as well as dust and grass clippings.

## MANAGES STEEP SLOPES

Husqvarna Automower® can cope with slopes up to 70% (35°), thanks to optimised design and smart behaviour.

## MANAGES PASSAGES

Husqvarna Automower® senses narrow passages and finds its way through even the narrowest gaps.

## CUTS UNEVEN LAWNS

Large wheels and a clever chassis design ensures a perfect result even on a rough lawn.

## NO TRACK MARKS

Husqvarna Automower® varies its route back to the charger in order to avoid damage and ugly tracks. Mowing in a seemingly random pattern, gives a carpet-like lawn, throughout your garden.

## X-LINE

### A FULLY-FEATURED RANGE OF ROBOTIC MOWERS

Husqvarna X-Line is our most fully-featured range, designed for those who want a top-of-the-line robotic mower. These robotic mowers are equipped with the X-Line equipment package, including:

- Automower® Connect with GPS theft tracking
- GPS assisted navigation
- LED headlights
- Front rubber bumper
- X-Line body design.

# PRODUCT SELECTOR GUIDE

To help select the most suitable Husqvarna Automower® for the size of your lawn, simply choose how many hours of the day you would like the robotic mower to work, this will determine how much free time you will have on your lawn for leisure activities. As an example the mower could work during the night allowing the lawn to be free during the day.

Then select the working area given in m<sup>2</sup> that matches or exceeds your lawn area. This will then give you the model/s that best suit your lawn area.

Then simply choose the specification that best fulfils your needs. If a single machine does not meet your needs, more than one Husqvarna Automower® can be used in the same area to increase maximum area coverage. Please visit your local Authorised Husqvarna dealer for more information and guidance.

## HUSQVARNA LAWN CALCULATOR

You can also find out which Husqvarna Automower® is best for you and your garden by using our interactive lawn calculator. Simply enter your postcode to locate your house and draw around the boundaries of your lawn to calculate your lawn size. It will then show the recommended Husqvarna Automower® for your needs.

Visit: [www.husqvarna.com/uk/roboticmowers](http://www.husqvarna.com/uk/roboticmowers) and click on Lawn Calculator

## ! YOUR AUTHORISED HUSQVARNA DEALER CAN ASSIST WITH ADVICE AND INSTALLATION SERVICE

Consulting your Authorised Husqvarna dealer is always a good way to secure that you get the optimal model of Husqvarna Automower® for you and your garden. To secure maximum convenience and trouble-free operation, we recommend that you also let the dealer take care of the installation in your garden.

 To find your nearest dealer visit [husqvarna.com/uk/dealer-locator](http://husqvarna.com/uk/dealer-locator)

## 100 / 300 SERIES

The 100 Series is designed for domestic use on smaller flat lawns. Just like the larger models, the 100 series delivers excellent cutting results. 300 Series robotic mowers are ideal for small to mid-sized lawns with some complexity and slopes. Additional 300 series features include weather timer which adjusts the mowing frequency to match the grass growth rate and automatic passage handling for reliable navigation of narrow areas. For complex areas and for maximum control choose the Automower® 315X.

### Ideal for applications including:

- **Small to medium lawns**
- **Areas with some complexity**
- **Slopes up to 40% (300 series)**
- **Passages (300 series)**
- **Multiple machines per installation**
- **Night time mowing**

## AUTOMOWER® 105

Reliable robotic mower for smaller less complex lawns up to 600 m<sup>2</sup>. Ideal for replacing a traditional pedestrian lawnmower.

- Weatherproof
- Anti-theft alarm
- Lift & tilt sensors

Working Area	Area per hour	Maximum incline	Area Complexity
600 m <sup>2</sup>	43 m <sup>2</sup>	25% / 14°	● ● ○ ○ ○

## LET OUR EXPERTS TAKE CARE OF YOU

### Dealer Installation Service

Husqvarna recommend for maximum convenience and to ensure correct installation and trouble-free operation that your local Authorised Husqvarna dealer carries out the product installation. For more information and to locate your nearest dealer please visit:

[www.husqvarna.com/uk/dealer-locator](http://www.husqvarna.com/uk/dealer-locator)

## + HUSQVARNA AUTOMOWER® 3 YEAR WARRANTY\*

**For additional peace of mind extend your standard two year manufacturers warranty with an additional year.**

\*Your Husqvarna Automower® must be registered, installed and serviced annually by an Authorised Husqvarna dealer. This qualifies you for an additional 1 year warranty.

### BLUETOOTH COMMUNICATION

## AUTOMOWER® CONNECT@HOME

- Standard equipment on models 305, 310, 315 and 420
- Bluetooth communication up to 30 metres range
- Requires no mobile data contract
- Does not include GPS theft tracking
- Enables basic settings to be adjusted remotely

## 400 SERIES

400 Series robotic mowers offer the highest cutting capacities, the lowest noise levels and the most advanced features. They can handle small to large uneven, very complex lawns with ease. Additional 400 series features include, excellent terrain performance for uneven areas, Ultrasilent drive motors for no disturbance, up to 70% (35°) slope capabilities and electric height adjustment. The X-Line models feature added intelligence including GPS assisted navigation for efficient lawn coverage in complex areas.

### Ideal for applications including:

- **Medium to large lawns**
- **Complex areas with obstacles**
- **Multiple areas**
- **Slopes up to 70% (35°)**
- **Narrow passages**
- **Multiple machines per installation**
- **Night time mowing**

## AUTOMOWER® 420

Ultra quiet robotic mower for complex areas up to 2200 m<sup>2</sup> including slopes and narrow passages. Ideal for replacing a large pedestrian lawnmower or small ride on machine.

- Weatherproof
- Anti-theft alarm
- Automower® Connect capable
- Automower® Connect @ home
- Lift & tilt sensors
- Automatic passage handling
- Weather timer
- Electric height adjustment

## LET OUR EXPERTS TAKE CARE OF YOU

Follow our simple 3 step process:

**STEP 1** Choose the right Husqvarna Automower® for you through professional consultation by a Husqvarna Authorised dealer.

**STEP 2** Professional Husqvarna Automower® installation carried out by an Authorised dealer - you need not lift a finger.

**STEP 3** Start your Husqvarna Automower® and enjoy more free time and a high quality, 'just cut' finish, every day.

For more information and to locate your nearest Husqvarna Authorised dealer please visit:

 [www.husqvarna.com/uk/dealer-locator](http://www.husqvarna.com/uk/dealer-locator)

## AUTOMOWER® ENDURANCE BLADES

Husqvarna Automower® Endurance blades providing more than twice the lifetime compared to our original blades thanks to the new design. The design allows for a harder and sharper edge without compromising on safety standards and provides cutting edges on all 4 sides.

Blades	Order PNC	RRP ex VAT	RRP inc VAT
6	595 08 44-01	£19.16	<b>£22.99</b>
45	595 08 44-02	£99.99	<b>£119.99</b>

## + HUSQVARNA AUTOMOWER® 3 YEAR WARRANTY\*

For additional peace of mind extend your standard two year manufacturers warranty with an additional year.

\*Your Husqvarna Automower® must be registered, installed and serviced annually by an Authorised Husqvarna dealer. This qualifies you for an additional 1 year warranty.

## 500 SERIES – COMMERCIAL USE

Husqvarna robotic mowers specifically developed for commercial applications. Offering the most efficient and sustainable way to consistently maintain areas of green space. Ideal for professionals and private or public enterprises who seek new ways to maintain grassed areas whilst enabling the redeployment of resources onto more important tasks. The 500 Series robotic mowers all come with Husqvarna Fleet Services™ built-in, enabling fleet management and mower control from anywhere.

### Ideal for applications including:

- **Grounds maintenance**
- **Sports facilities**
- **Commercial properties**
- **Holiday parks**
- **Noise sensitive areas**
- **Slopes up to 70% (35°)**
- **Multiple machines per installation**
- **Complex areas with obstacles**
- **Night time mowing**

## AUTOMOWER® 520

Professional robotic mower with robust design and high cutting capacity. Equipped with commercial interface for simplified and robust interaction. Remote mower management and surveillance through Husqvarna Fleet Services™.

- Husqvarna Fleet Services™
- Anti-theft alarm
- Electric height adjustment
- Lift & tilt sensors
- Weather timer
- Weatherproof
- Automower® Connect fitted
- Commercial interface

## HUSQVARNA FLEET SERVICES™

Professional fleet management of multiple 500 series robotic mowers. Track, control and adjust your complete Husqvarna Automower® fleet from a phone, tablet or laptop.

For more information please visit:

[www.husqvarna.com/uk/fleetservices](http://www.husqvarna.com/uk/fleetservices)

## LET OUR EXPERTS TAKE CARE OF YOU

### Dealer Installation Service

Husqvarna recommend for maximum convenience and to ensure correct installation and trouble-free operation that your local Authorised Husqvarna dealer carries out the product installation. For more information and to locate your nearest dealer please visit:

[www.husqvarna.com/uk/dealer-locator](http://www.husqvarna.com/uk/dealer-locator)

“Parks and green spaces is an important element of Edinburgh. If we can free up what limited resources we have to look after the borders and plants, it's a winner for everybody because the borders are clean and the grass is still getting cut. It keeps it to a standard that we couldn't keep before”.

Edinburgh City Council

# REMOTE MONITORING. CONSTANT CONTROL.

Stay in complete control of your robotic mower, wherever you are, in the most convenient way. Thanks to the dedicated Automower® Connect app, you have the possibility of remote controlling your mower or steer it with voice commands through smart home equipment like Amazon Alexa. You can just as easily integrate it with your GARDENA smart system for irrigation control and sync schedules for irrigation and mowing. Simple, automated, intuitive – and with perfect results, every time.

**CONTROL** Receive status messages and send Start, Stop and Park commands to the mower from anywhere in the world.

**CONFIGURE** Brings the mower's menu system to your smartphone. Read and change the mower settings without the need of being on site.

**SECURITY** Receive alarm and track your mower's position in case of theft.

## MOBILE DATA COMMUNICATION AUTOMOWER® CONNECT

- Standard equipment on X-Line models and 500-series
- Available as an accessory on models 305, 310, 315 and 420
- Mobile data communication worldwide\*
- 10 years mobile data contract included\*
- Geofence with GPS theft tracking

## BLUETOOTH COMMUNICATION AUTOMOWER® CONNECT@HOME

- Standard equipment on 300, 400 & 500 series
- Bluetooth communication up to 30 metres range
- Requires no mobile data contract

## TIME TO CUT THE GRASS? JUST ASK ALEXA!

Husqvarna has added yet another convenient feature to robotic mowing by making all Automower® Connect equipped robotic mowers compatible with Amazon Alexa and Google Home. This means that all you need to do is to give your smart speaker a voice command, and your Husqvarna Automower® robotic mower will jump to the task. Owners will be able to execute the most common commands such as start, stop, park, and get status updates from their mowers by simply asking Alexa. Garden care – made as easy as it should be.

## CONTROL YOUR SPRINKLER AND MOWING DIRECTLY FROM YOUR SMARTPHONE

Now you can have an even more intelligent relationship with your garden. By connecting your Husqvarna Automower® to the high-performing GARDENA irrigation smart system, you can easily sync your mower and your irrigation schedule. Sit back and relax while Automower® robotic mower keeps your lawn perfectly cut and healthy, and the GARDENA smart system – with its sensors that measuring soil moisture, outside temperature and light intensity, and then waters accordingly – keeps your lawn green and fresh. This works with all products equipped with Automower® Connect.

## EXPLORE IFTTT AND MAKE YOUR HUSQVARNA AUTOMOWER® EVEN SMARTER

IFTTT (If This Then That) is a free, easy-to-use web-based service. It allows you to create your own applets and integrate Husqvarna Automower® even more into your smart home systems. For instance, you can set it so that Husqvarna Automower® starts mowing when the home alarm is turned on. Or that it should park when the current temperature drops below a certain point – and much, much more. The limits are set by your imagination.

Please visit for further information : [www.husqvarna.com/uk/roboticmowers](http://www.husqvarna.com/uk/roboticmowers)

# INSTALLATION ACCESSORIES

## AUTOMOWER® INSTALLATION KITS

Installation kits that include loop wire, pegs, couplers and connectors. There are 3 different size kits to suit different size areas and complexities.

**NOTE:** Installation kits are not supplied with the machines.

**SMALL** - Suitable for open lawn areas of max 800 m<sup>2</sup> or complex lawn areas of max 400 m<sup>2</sup>

**MEDIUM** - Suitable for open lawn areas of max 2000 m<sup>2</sup> or complex lawn areas of max 1000 m<sup>2</sup>

**LARGE** - Suitable for open lawn areas of max 5000 m<sup>2</sup> or complex lawn areas of max 2500 m<sup>2</sup>

## CONNECTOR PROTECTION BOX

A small sealed box for cable connectors, to protect them against moisture during off season.

Item	Order PNC	RRP ex VAT	RRP inc VAT
Protection Box	590 85 50-01	£7.49	<b>£8.99</b>

## MAINTENANCE & CLEANING KIT

Including specific slim brushes with sharp scrapers to get in tight areas, a screwdriver to exchange blades, abrasive pad to clean the contactors on the mower and charging station and a plastic care spray.

Item	Order PNC	RRP ex VAT	RRP inc VAT
Maintenance Kit	590 85 51-01	£24.99	<b>£29.99</b>
Care and Shine Spray 200ml	593 96 79-01	£9.99	<b>£11.99</b>

## AUTOMOWER® CONNECT MODULE

**10 YEARS OF FREE CONNECTIVITY INCLUDED!**

The Automower® connect module allows you to control and configure your mower. With the module installed, you can download the app to your Android or iPhone and use it to communicate directly with your mower. Equipped as standard on Husqvarna Automower® X-Line and 500 Series.

Item	Order PNC	RRP ex VAT	RRP inc VAT
305/310/315/420	586 66 23-07	£207.50	<b>£249.00</b>

\*Automower® Connect covers service during product life (10 years). The Automower® Connect service requires 2G/3G data transfer, technology provided by country-specific telecom operators (3rd party). Husqvarna's service includes product's function, not communication due to data transfer restrictions.

## AUTOMOWER® ENDURANCE BLADES

Husqvarna Automower® Endurance blades providing more than twice the lifetime compared to our original blades thanks to the new design. The design allows for a harder and sharper edge without compromising on safety standards and provides cutting edges on all 4 sides.

Item	Order PNC	RRP ex VAT	RRP inc VAT
Pack of 6	595 08 44-01	£19.16	<b>£22.99</b>

## ! AUTUMN CARE FOR YOUR HUSQVARNA AUTOMOWER® ROBOTIC MOWER.

When a long summer with lots of mowing in sun and rain, day and night, is coming to an end, it's nice to get pampered. Get cleaned, dried and checked so that everything is in order. And have new, sharp Genuine Husqvarna blades and software upgrades installed in due time for the coming season. Your Authorised Husqvarna dealer knows how to care for your Husqvarna Automower® robotic mower, giving it a long, trouble-free service life at prosperous peak performance. Ask for our autumn service and winter storage offers!

Husqvarna only supply Longlife safety blades which conform to the safety standard for robotic lawn mowers IEC 60335-2-107. Please contact your dealer for correct advice.

# PROFESSIONAL DEALERS AT YOUR SERVICE

Our specially trained service engineers know exactly what to check, adjust and replace to keep your machine running safe, smooth and strong for years to come. They only use Husqvarna genuine parts for perfect compatibility and durability. There's nobody better to trust with your Husqvarna than Husqvarna.

## PRODUCT SELECTION

Our complete range of robotic mowers allow you to choose the perfect Husqvarna Automower® for your needs.

## INSTALLATION

Husqvarna recommend for maximum convenience and to ensure correct installation and trouble-free operation that your local Authorised Husqvarna dealer carries out the product installation.

## EXTENDED WARRANTY

Extend your Husqvarna Automower® warranty further, your machine must be registered, installed and serviced annually by an Authorised Husqvarna dealer. This qualifies you for an additional 1 year warranty bringing the total to 3 years.

## REPAIR

In the case, something happens that calls for a repair we have all the spare parts and knowledge needed to fix it.

## SCHEDULED SERVICE

Our Authorised Husqvarna dealers keep track of purchase and service dates so that you never miss a scheduled service appointment.

## GENERAL SERVICE

Main checkpoints of your annual service, to keep your machine in perfect condition:

- ✓ Software update, for the latest software
- ✓ Full diagnostic of electronic and battery systems
- ✓ Gasket replacement, to protect your machine from moisture
- ✓ Cutting equipment replacement to ensure maximum cutting performance
- ✓ Wheels check to ensure optimal traction
- ✓ Docking station checking for fault free operation
- ✓ Complete cleaning for extended lifetime

## WINTER SERVICE

The servicing extends the life of your Husqvarna Automower® and the service offer includes:

- ✓ Cleaning/washing
- ✓ Electronic diagnostic (autotest)
- ✓ Software update
- ✓ Blades replaced
- ✓ Battery function test (autotest)
- ✓ Battery charging
- ✓ Safety functions test and functional check.

After the service check you will receive a detailed service checklist report.

# CUT THE NOISE WITH POWERFUL BATTERY TOOLS

The Husqvarna battery powered product range is built to give you all the power, performance and intuitive design you expect.

Nothing ruins your enjoyment of a Saturday morning like the sound of petrol-powered garden equipment.

With low noise and zero direct emissions, the Husqvarna battery range protects your neighborhood's peace and quiet. Long-lasting batteries, push button start and the same performance as petrol-powered

equipment means you can get the work done with less impact on the body and less disturbance to the environment. One battery system fits all tools, so you can switch tasks quickly and easily.

Cut the garden and the noise with the Husqvarna Battery Series.
