TOW N MOW®

Overview

The **RTM Tow N Mow® Sportster Gang Mower** - Our very best gang mower for outfield, sports pitches, parks and estates. The **RTM Tow N Mow® Sportster Gang Mower** delivers a premium finish and distributes grass clippings evenly and well spread. Manufactured to meet the standards of the traditional park or cricket field whilst keeping the design simple and easy to maintain, making it a very cost effective, efficient and reliable machine. Adjustable taper roller bearings all round and ease of adjustment and settings – a true professional machine.

Trailed, ground wheel driven, fine cut, easy tow cylinder mowing machine comprising of one, three or five 30" (762mm) 6-blade mowing units and fully greaseable rollers with scraper bars. Multiple mowing units are closely linked together by an articulated trailed or tractor linkage carrying frame to allow turning and undulating contours to be followed. Facility to tow one behind the other for ease of transport.

All our RTM Tow N Mow® range of machines carry a 12-month manufacturer's warranty!
