

Role

Skilled Technician

Overview

Responsible for the repair and maintenance of machinery sold by the company and also service to customers' machines. As part of the Workshop Team you will be integral to the business in delivering our products and services.

Main Duties

- ⚙️ Repair and maintain all equipment associated with ground care and grass cutting machinery.
- ⚙️ Diagnose mechanical and electrical faults and repair as necessary.
- ⚙️ Liaise with sales staff, customers and other team members.
- ⚙️ Adhere to company health and safety practices and procedures at all times
- ⚙️ Perform diagnostics on customer equipment as required.
- ⚙️ Perform pre-delivery set-up on new or used equipment.
- ⚙️ Complete administration tasks for work assignments (including time sheets and job cards)
- ⚙️ Maintain a clean workstation and work areas at all times.
- ⚙️ Follow all safety rules and regulations when working.
- ⚙️ Participate in required training programmes for the development of skills and knowledge.
- ⚙️ Mentor apprentices.
- ⚙️ Continued professional development and meeting challenges positively.

Hours

8am to 5pm Monday to Friday and Saturday mornings.

Location

Farm-based workshop near Aylesbury.

Salary

Dependent on experience.

Essential Qualifications, Experience and Attributes:

- ⚙ Mechanical/Engineering Degree or relevant qualification.
