

TECHNICAL EXTREME

Lightweight performance. Every day.

Husqvarna Technical Extreme is our ultimate range of protective clothing. It's designed for people who need lightweight comfort, breathability and protection in extreme conditions. With pre-bent knees and sleeves, slim fit, durable stretch fabrics, protective materials and smart, task-specific design, it's designed to enable total performance all day.

NEW

FOREST JACKET, TECHNICAL EXTREME

The ultimate forest jacket

Chainsaw jacket with slim-fit design. Crafted specifically for forestry professionals who want the most flexible and well-ventilated workwear, enabling maximum productivity. Lightweight, breathable fabrics and pre-bent elbows increase your mobility, while effective ventilation openings keep you cool and reduce fatigue when working hard. Cordura® reinforcements ensure excellent wear protection. Mobile phone pocket on chest. Unisex model in sizes XS-XXL.

NEW

PROTECTIVE TROUSERS, TECHNICAL EXTREME

Safety never felt this comfortable

Protective chainsaw trousers with slim-fit design. Crafted specifically for forestry professionals who want the most flexible and well-ventilated workwear, enabling maximum productivity. Equipped with our innovative, water-repellent Tech-Knee. Made with 4-way stretch fabric to ensure perfect fit on any shape of body. Dyneema® fabric on crotch and Cordura® reinforcements on belt loops, knees and around ankles ensure excellent wear protection. Braces included. Fulfils EN ISO 11393 Class 1 (20 m/s). Unisex model in sizes XS-XXL.

537 64 32-xx

Also available with +7 cm legs (size M-XL).

£379.00

Provides exceptional saw protection

The innovative Tech-Knee is designed with additional fibre layers to ensure saw protection in those working positions when the trousers tighten on the knees. Made with water-resistant inner lining and water-repellent outer layer.

Adjust for perfect fit

The clothes come with hook-and-loop straps on the wrists and on the trouser waist, ankle straps, as well as elastic drawstrings at the jacket waist, allowing you to adjust your gear for perfect fit.

Braces included

The Technical Extreme trousers come with quality braces, so they stay safely and comfortably in place all day. For our other waist trousers, braces are bought separately.

Chest pockets for mobile phone

The chest pockets keep your mobile phone within easy reach at all times. The padded lining protects it from scratches and cold temperatures.

TECHNICAL ROBUST

NEW

CLASS 1

PROTECTIVE TROUSERS, TECHNICAL ROBUST

Crafted for long, hard working days

Protective chainsaw trousers designed for long workdays in demanding environments. Crafted with Dyneema® fabric on the whole front leg. Kevlar® reinforcement in the crotch and Cordura® reinforcements around ankles withstand wear and scratches from rough bark and thorny bushes. Well-ventilated with mesh lining and numerous zippers. Tick protection inside ankles and 4-way stretch fabric on the back add extra comfort to keep you going all day. Fulfils EN ISO 11393 Class 1 (20 m /s). Unisex model in sizes S-XL.

537 64 27-xx

£309.00

Made to last

Thanks to the tough materials used and the crotch and ankle reinforcements in Dyneema®, Aramide stretch and Cordura®, the trousers will withstand heavy-duty use.

Tick and snow protection

Closes tightly with elastic and adjustable buttons around the ankle. Prevents snow and ticks from entering the trousers.

Well ventilated

Mesh lining and zippers for maximum ventilation and comfort. Adjust the airflow with the zippers at the back of the legs. Back pockets also provide airflow when opened. Mesh lining for optimal ventilation during wear, and quick drying after washing.

Well thought-out reinforcements

Excellent durability thanks to light and robust Cordura® and Dyneema® fabrics. For the trousers, the crotch, knees and lower part of the legs are extra reinforced, whereas the jacket is reinforced at the shoulders and sleeves.

ACTIVE CLEANING

Keep your gear in good condition

Protective clothing must be washed regularly to retain its effectiveness. Active Cleaning detergent is phosphate free. Also effective for cleaning saw chains, garden machines, air filters, climbing ropes 11.5 and 11.8, etc.

583 87 69-01

£16.99

CLOTHING FOR ARBORISTS

Tailored for high-level tree care and pruning

As a professional arborist, you have very special demands when it comes to protective clothing in terms of safety, mobility and comfort. When designing and manufacturing Husqvarna's arborist trousers, we choose the best items in our Technical and Technical Extreme models and re-design them to create the ultimate gear for arborists.

NEW

PROTECTIVE TROUSERS, TECHNICAL EXTREME ARBORIST

Made for arborists, designed for climbing

Protective chainsaw trousers with slim-fit design. Crafted specifically for tree climbers who want the most comfortable and well-ventilated chainsaw trousers, enabling maximum productivity. Our innovative Tech-Climb provides optimised saw protection around the legs when using climbing harness or spurs. Made with 4-way stretch fabric and hook and loop adjustment to ensure perfect fit on any shape of body. Fulfils EN ISO 11393 Class 1 (20 m /s) Unisex model in sizes XS-XXL.
537 64 25-xx **£369.00**

tech climb

Tech-Climb saw protection tailor-made for climbing

The innovative Tech-Climb feature is designed with special fibre layers tailor-made for saw protection also when using climbing harness or spurs.

Durable and lightweight reinforcements

High tech materials with Dyneema®, Cordura® and Kevlar® for maximum resistance to wear and tear in the areas most needed. Extra reinforced crotch with stretch.

Hook-and-loop on braces

The braces are easy to remove and put on, providing a fast and easy switch depending on the work performed.

Easy access pockets

Side pockets with reversed zips for easy access when wearing harness, and double thigh pockets with loops for storage.

ARBORIST HELMET, SPIRE VENT X

Keep your head cool and protected

Lightweight, comfortable helmet with high-viz details for professional arborists. Optimised ventilation thanks to the many air intakes and the air space inside the helmet. Features comfortable padding from quick-dry fabric that's easily removed for cleaning. Can be fitted with hearing protection with an adapter. Approved according to EN 12492. Picture showing helmet equipped with X-COM hearing protection, sold separately.

- 536 88 61-01 **£129.99**
- Hearing protection adapter, 599 29 72-01 **£9.99**
- Can be equipped with mesh visor or three types of polycarbonate impact-resistant visors to suit your preference: clear, mirror or smoke.
- Mesh, 536 91 23-01 **£99.99**
- Clear, 598 86 23-01 **£64.99**

£269.00

CLASS 1

PROTECTIVE TROUSERS, TECHNICAL

Reinforced where you need it

Designed for all-day, everyday forest work. Tough construction includes aramid and Cordura® reinforcement. Lightweight stretch fabrics and tight fit keep users comfortable, while pre-bent knees plus ventilated pockets and zippers help make every shift truly productive. Fulfills EN ISO 11393 Class 1 (20 m/s). Size S-XXL.

Waist, 529 51 64-xx

£309.00

Also available with +7 cm legs (S-XL)

Also available with -5 cm legs (S-XXL)

Pre-bent knees

The knees are pre-bent and have been tailored to provide maximum mobility without compromising safety.

Well ventilated

Openings at the yoke and at the lower back make for good ventilation. Zippers in the armpits and at the back of the legs let you adjust the airflow to your liking.

Adjust for perfect fit

The clothes come with elastic drawstrings at the waist and at the lower bottom of the jacket, allowing you to adjust your gear for perfect fit.

Easy-access pockets

The jacket has two pockets on the chest and a dedicated first-aid pocket. The trousers feature two front pockets, two back pockets, a leg pocket and a ruler pocket.

TECHNICAL FOR BRUSHCUTTING

Comfortable protection against twigs and branches

Wearing a harness while working long hours with a brushcutter or trimmer puts specific demands on the clothes to be comfortable and functional. Practical details in the right places, like padding and zip pockets, are as important as comfortable lining and seams, zippers for ventilation and durable protection against gravel.

BRUSHCUTTING AND TRIMMER JACKET, TECHNICAL

For a comfortable day in your harness

Jacket specifically designed for working long hours with a harness. Place for extra padding to relieve the shoulders. Pockets are easy to reach while wearing a harness. Ventilation zipper on front, under the arms and a yoke in the back keep the temperature at a comfortable level. A new arm construction and ergonomically pre-bent arms gives you high mobility together with the 4-way stretch fabric on the back. Size S-XXL.

597 66 02-xx

£145.99

BRUSHCUTTING AND TRIMMER TROUSERS, TECHNICAL

Reinforced for extra protection

Trousers specifically designed for working long hours with a brushcutter or trimmer. Place for extra padding to relieve the hip. Water repellent material on front and side of the legs with extra padding against gravel. Surface treated fabric to simplify brushing off wet grass. Reinforcement on exposed areas increase durability and lifespan. Ventilation zippers on back of the legs keep the temperature at a comfortable level. Ergonomically pre-bent knees. Size 42 - 60.

597 66 06-xx

£134.99

High mobility

Specially-tailored arm design, ergonomically pre-bent arms and knees and 4-way stretch on the back result in high mobility.

Reinforcement fabric

The material at the knee area and end of leg is water-repellent and reinforced for increased durability and protection.

Ventilation openings

Ventilation zipper on front, under the arms and on the back of legs. Chest and back pockets with mesh and an open yoke on the back of jacket gives good temperature regulation.

Pockets for extra padding

Pockets designed for putting padding to protect and to make the load easier on your shoulders and hip during trimming.

**BRUSHCUTTING AND TRIMMER JACKET
HIGH-VIZ, TECHNICAL**

**Stay visible, stay safe
– all day long**

Jacket specifically designed for working long hours with a harness. High visibility approved according to EN ISO 20471 Class 3. Place for extra padding to relieve the shoulders. Pockets are easy to reach while wearing a harness. Ventilation zippers under the arms and ventilation yoke in the back keep the temperature at a comfortable level. A new arm construction and ergonomically pre-bent arms gives you high movability together with the 4-way stretch fabric on the back. Size XS-XXL.

597 24 59-xx

£163.99

**BRUSHCUTTING AND TRIMMER TROUSERS

Water repellent material in front and side of the legs with extra padding against gravel. Surface treated fabric to simplify brushing off wet grass. Reinforcements on exposed areas increase durability and lifespan. Ventilation zippers on back of the legs keep the temperature at a comfortable level. Ergonomically pre-bent knees. Size 42-60.

597 24 62-xx

£159.99

High visibility

Fulfilment of the highest classification in the high visibility standard applicable. Jacket approved according to EN ISO 20471 Class 3. Trousers approved according to EN ISO 20471 Class 2.

High mobility

Specially tailored arm design, ergonomically pre-bent arms and knees and 4-way stretch on the back result in high mobility.

Pockets for extra padding

Pockets designed for putting padding to protect and to make the load easier on your shoulders and hip during trimming.

Tick and snow protection

Closes tightly with elastic and adjustable buttons around the ankle on the trousers. Prevents snow and ticks from entering the trousers.

TECHNICAL RAINWEAR

Keeping you dry and comfortable

Husqvarna's Technical rainwear range offers garments that are water-repellent yet breathable thanks to their technology with laminate and taped seams. The laminate helps keep the rain out but still allows perspiration to go through your garment. They are easy to take on and off, provide visibility and will help to keep you warm during hard working days in the rain.

NEW

RAIN JACKET VENT HIGH-VIZ, TECHNICAL

A high-quality rain jacket with extra reinforcement on exposed areas. The jacket is water-repellent yet breathable thanks to its technology with laminate and taped seams. Made from durable polyester fabric with mechanical stretch. The jacket is adjustable at the waist and has a detachable hood with press buttons. The pockets feature waterproof zippers for safe storage of belongings. Approved according to EN ISO 20471 Class 3 and EN 343.

Men's, XS-XXL, 597 66 26-xx **£124.99 - £128.99**
Women's, XS-XL* 546 34 26-xx **£239.00**

*Sizes XS and S are approved according to EN ISO 20471 Class 2 and EN 343.

RAIN TROUSERS VENT, TECHNICAL

High-quality rain trousers made from durable laminated polyester fabric with mechanical stretch that, together with taped seams, result in a water-repellent yet breathable garment. Reinforcement fabric over the areas from above the knee and lower inside leg. Features such as long side zippers to simplify taking on and off your trousers when needed. Waist adjustment and hooks for laces helps to keep the trousers in place. Approved according to EN343. Size XS-XXL.

597 66 27-xx **£123.99**

Always visible

Fulfilment of the highest classification in the high visibility standard applicable. Jacket approved according to EN ISO 20471 Class 3.

Excellent breathability

Laminate in combination with ventilation zippers and features like the open yoke at back of the jacket, as well as mesh openings at the back of the trousers, help you stay dry and cool.

FUNCTIONAL RAINWEAR

Never mind the weather

The Functional rainwear range is waterproof thanks to a durable outside coating on the fabric. This makes the garments 100 % waterproof and windproof but with less breathability. The design is therefore optimised to get as much airflow in as possible. The models are made specifically for logging and are easy to take on and off when needed during your working day in the cold rain.

RAIN JACKET PROTECT HIGH-VIZ, FUNCTIONAL

Rain jacket made from polyester knitting with a durable one-sided PU coating with welded seams – a strong yet light and noiseless fabric. The design enables airflow within the jacket for long working hours in the rain. Inside chest pocket and hidden pockets on the front made to prevent water to enter, keeps your belongings safe. Approved according to EN ISO 20471 Class 3 and EN 343. Sizes: XS–XL.

597 66 28-xx

£145.99

RAIN TROUSERS PROTECT HIGH-VIZ, FUNCTIONAL

Rain trousers made from a polyester knitting with a durable one-sided PU coating with welded seams – a strong yet light and noiseless fabric. Zippers at the sides of leg and openings at front for easy access. Waist adjustment with elastic and a drawstring and ventilation openings on the back. Approved according to EN ISO 20471 Class 2 and EN 343. Size XS–XL.

597 66 29-xx

£91.99

RAIN BACK PROTECTOR PROTECT, FUNCTIONAL

Back protector made from a polyester knitting with a durable one-sided PU coating with welded seams – a strong yet light and noiseless fabric. Designed for working positions while operating with a chainsaw. Extra-long back with a rain lip to help the rain drain at the sides when working in a bent position in the rain. An adjustable snap closure front to adjust the width if needed. Approved according to EN 343. One size.

597 66 32-10

£75.99

RAIN CHAPS PROTECT HIGH-VIZ, FUNCTIONAL

£43.99

HUSQVARNA BRACES

Extra wide braces with adjustable length.

Leather straps,

505 61 85-10

£27.99

Strong metal clips,

505 61 85-00

£28.99

Always visible

The jacket, trousers and chaps are tested and approved according to the EN ISO 20471 standard for high visibility.

Ventilation openings

Ventilated yoke over the chest, arms and back with mesh to help you keep your cool when working hard.

Easy wear, easy removal

Thanks to the smart side zipper, the trousers are easy to take off once the weather's shaped up, with minimal disruption to your work.

LEATHER BOOTS, TECHNICAL WITH SAW PROTECTION

Tough boots for tough work

Highly comfortable and low-weight protective boot for use in all weather conditions. Well-designed heel construction, higher, stable upper part with soft inside for comfort. The Vibram® sole gives you excellent grip in cold, wet and slippery conditions and the shock absorbing middle sole makes the boots gentle to the feet during long working days. The boots are made from leather with a Sympatex® membrane, a water repellent and breathable, high-quality material. With extra padding around the ankle, heel and top, plus a steel top cap and removable and washable foot bed. The lower part of the boot is reinforced with rubber for extra protection. Pull strap on tongue and back and locking hooks/roller hooks for easy adjustment and handling of the shoes. Fulfils EN 17249: 2013 level Class 2 (24 m/s). Sizes 36-48.

597 65 92-xx

£319.00

360 degrees rubber reinforcement

Rubber reinforcement all around the foot to better withstand wear and tear during long working days.

Keep your grip

Stable Vibram® sole with optimised grip prevents slipping in cold and wet conditions. Shock absorbing middle sole makes the boot more gentle to the feet during long working days.

Designed for work

Soft heel and inside for comfort during long working days.

Dry and comfortable

Water repellent Sympatex® membrane with perfect breathability keeps the feet dry.

LEATHER BOOTS, FUNCTIONAL WITH SAW PROTECTION

Water repellent, lightweight leather boots with good stability, suitable for heavy use. Reinforced front and back for increased support and padded front tongue and upper for comfort. Durable Perwanger® leather and TE-POR® membrane keeps the feet dry and the Vibram® sole provides a good grip even during cold, wet and slippery conditions. Fitted with roller hooks for easy adjustment of the laces and toe protection overlap for increased safety. Fulfils EN ISO 17249:2013 level 2 (24 m/s). Sizes 38-47.

597 65 93-xx

£289.00

LEATHER BOOTS, TECHNICAL LIGHT WITH PROTECTION

This protective boot is suitable for park and garden work and in all weather conditions. Made from high-quality leather with water repellent Sympatex® membrane, polyester lining and steel toe protection, the boots are comfortable all day long. Front and back part reinforced with rubber. Fitted with convenient roller hooks for easy adjustment of laces. Pull strap on the back makes the boot easy to put on. Fulfils EN ISO 20345 S3 - SRC + HRO. Sizes 36-47.

597 65 95-xx

£219.00

Water resistant material

The TE-POR® membrane ensures the boots are both comfortable and water-repellent, keeping your feet dry in all weathers.

Sympatex® membrane

High-quality leather with water repellent Sympatex® membrane makes the boot breathable and 100 % waterproof.

Front reinforced

Reinforcement on the front helps the boot withstand wear and tear and extends lifetime.

Front and heel part reinforcement

Reinforcement on both front and heel part makes the boot withstand wear and tear and extends lifetime.

Made for working

For high-quality work, you need high-quality work wear. And of course, that means tried and tested premium footwear and gloves. Our range of boots and gloves have been designed and developed to provide everything you need when it comes to protection, warmth and functionality to get the job done safely and efficiently.

£42.99

Cool and comfortable

The ventilation system keeps your head cool and comfortable, even during hard work in hot weather.

Free view visor

The unique design gives a clear line of sight with the visor in upper position.

Easily adjustable

The one-hand wheel ratchet allows the user to quickly and easily change the fit with one hand.

UV expire indicator

The protective capability decreases when exposed to sunlight. The indicator shows the condition of the helmet and when it is time to replace it.

NEW

NEW

HEARING PROTECTION, X-COM ACTIVE

Active hearing protection with intercom

Protect your hearing and communicate with your team without delay. This full duplex intercom system allows up to 10 people to be connected simultaneously. The built-in side microphones help you hear ambient sounds clearly. Developed by Husqvarna specifically for tree care teams. Sound attenuation (SNR level) 32 dB. IP45.

Headband, 536 91 31-01 **£459.00**
 Helmet based, 536 91 32-01 **£459.00**

NEW

HEARING PROTECTION, X-SYNC

Active hearing protection with Bluetooth® connectivity

Protect your hearing, listen to FM radio or stream audio, and use your mobile phone hands-free while working. When you receive a phone call, the music or radio volume smoothly decreases. The built-in side microphones help you hear ambient sounds clearly. Sound attenuation (SNR level) 32 dB. IP45.

Headband, 536 91 36-01 **£319.00**
 Helmet based, 536 91 39-01 **£319.00**

HYGIENE KIT

Stay consistently comfortable and protected, while safeguarding good hygiene. The kit consists of absorbent and ear pad cushions. Should be replaced twice a year for the ultimate performance. Works with Husqvarna's X-COM Active and X-SYNC hearing protections.

536 91 58-01 **£32.78**

BOOM MICROPHONE

The boom mic is available as a spare part for Husqvarna's X-COM Active and X-SYNC hearing protections. It is excellent for blocking out loud noise. The mic has an integrated filter that distinguishes speech from surrounding noise. Built for professional use, it is both durable and weatherproof.

536 91 59-01 **£81.38**

ADAPTER KIT

This kit includes two different adapters that allow you to attach Husqvarna's X-COM Active and X-SYNC hearing protections to Spire helmets and Technical helmets.

536 91 61-01 **£35.16**

COMFORT PAD

This comfort pad is available as a spare part, and designed specifically for the Husqvarna's X-COM Active and X-SYNC hearing protections. It optimizes comfort for your head.

536 91 62-01 **£31.66**

HEARING PROTECTION WITH HEADBAND

Hearing protection where you can adjust the pressure by 20%. With soft, airy padding in the headband. The hearing protectors are developed for optimal ergonomics.

505 66 53-04 **£36.99**

HYGIENE KIT

Complete replacement kit for hearing protection units. Includes absorbent and ear pad cushions.

505 66 53-26, for passive hearing protection HP200-1 and HP200-2 **£10.99**

505 66 53-91, for hearing protection with FM radio **£12.99**

596 48 94-01, for hearing protection X-COMR **£16.99**

PROTECTIVE GLASSES X

Scratch-resistant glasses with frames that can be extended and angled. The yellow-tinted lenses provide improved vision in dark conditions and the grey-tinted lenses, with UV protection, provide improved vision in sunny conditions.

Clear X, 544 96 37-01 **£16.99**

Sun X, 544 96 37-03 **£19.99**

Yellow X, 544 96 37-02 **£19.99**

PROTECTIVE GLASSES

Scratch-resistant glasses with static frames. Available with clear lenses and grey-tinted lenses with UV protection.

Clear, 544 96 38-01 **£12.99**

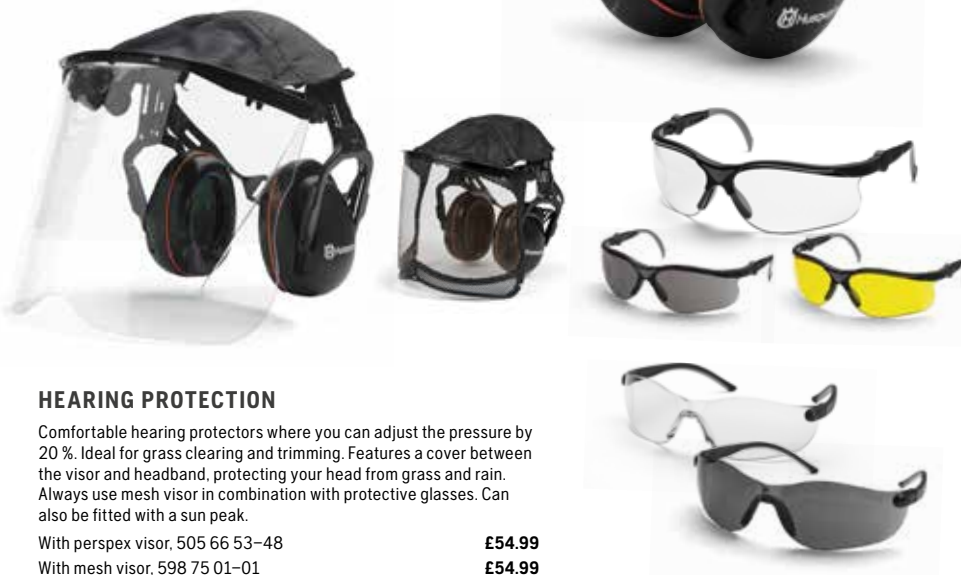

Sun, 544 96 38-02 **£14.99**

HEARING PROTECTION

Comfortable hearing protectors where you can adjust the pressure by 20%. Ideal for grass clearing and trimming. Features a cover between the visor and headband, protecting your head from grass and rain. Always use mesh visor in combination with protective glasses. Can also be fitted with a sun peak.

With perspex visor, 505 66 53-48 **£54.99**

With mesh visor, 598 75 01-01 **£54.99**

Protective clothing

There is a simple rule to which clothes you should recommend to your customers: the more you work, the better your protective clothes need to be, in order to keep you productive and comfortable. This overview will help you find the right clothes for your customer based on how often they will use them.
