

## TECHNICAL EXTREME

# Lightweight performance. Every day.

The Husqvarna Technical Extreme collection is our ultimate range of protective clothing. It's designed for people who need lightweight comfort, breathability and protection in extreme conditions. With pre-bent knees and sleeves, slim fit, durable stretch fabrics, protective materials and smart, task-specific design, it's designed to enable total performance all day.

### FOREST JACKET, TECHNICAL EXTREME

## The ultimate forest jacket

Chainsaw jacket with slim-fit design. Crafted specifically for forestry professionals who want the most flexible and well-ventilated workwear, enabling maximum productivity. Lightweight, breathable fabrics and pre-bent elbows increase your movability, while effective ventilation openings keep you cool and reduce fatigue when working hard. Cordura® reinforcements ensure excellent wear protection. Mobile phone pocket on chest. Unisex model in sizes XS-XXL.

537 64 18-xx, Technical Extreme jacket

£319.00

### FOREST JACKET HIGH-VIS, TECHNICAL EXTREME

Tough, yet lightweight fabrics and task-oriented design make this jacket ideal for everyday forest work in environments where visibility matters. Conforming to EN ISO20471 Class 3, it's made from lightweight stretch polyester, two-way stretch on the front and four-way stretch on the back, with crafted fit. Unisex model in sizes XS-XXL.

546 41 56-xx

£379.00

### CHAINSAW TROUSERS, TECHNICAL EXTREME

## Safety never felt this comfortable

Protective chainsaw trousers with slim-fit design. Crafted specifically for forestry professionals who want the most flexible and well-ventilated workwear, enabling maximum productivity. Equipped with our innovative, water-repellent Tech-Knee. Made with 4-way stretch fabric to ensure perfect fit on any shape of body. Dyneema® fabric on crotch and Cordura® reinforcements on belt loops, knees and around ankles ensure excellent wear protection. Braces included. Fulfils EN ISO 11393 Class 1 (20 m /s). Unisex model in sizes XS-XXL.

537 64 32-xx

£259.00

Also available with +7 cm legs (size M-XL).

techknee

### Provides exceptional saw protection

The innovative Tech-Knee is designed with additional fibre layers to ensure saw protection in those working positions when the trousers tighten on the knees. Made with water-resistant inner lining and water-repellent outer layer.

### Adjust for perfect fit

The clothes come with hook-and-loop straps on the wrists and on the trouser waist, ankle straps, as well as elastic drawstrings at the jacket waist, allowing you to adjust your gear for perfect fit.

### Braces included

The Technical Extreme trousers come with quality braces, so they stay safely and comfortably in place all day. For our other waist trousers, braces are bought separately.

### Chest pockets for mobile phone

The chest pockets keep your mobile phone within easy reach at all times. The padded lining protects it from scratches and cold temperatures.

TECHNICAL ROBUST

Class 1

CHAINSAW TROUSERS, TECHNICAL ROBUST

**Crafted for long, hard working days**

Protective chainsaw trousers designed for long workdays in demanding environments. Crafted with Dyneema® fabric on the whole front leg. Kevlar® reinforcement in the crotch and Cordura® reinforcements around ankles withstand wear and scratches from rough bark and thorny bushes. Well-ventilated with mesh lining and numerous zippers. Tick protection inside ankles and 4-way stretch fabric on the back add extra comfort to keep you going all day. Fulfils EN ISO 11393 Class 1 (20 m /s). Unisex model in sizes S-XL.

537 64 27-xx

£309.00

**Made to last**

Thanks to the tough materials used and the crotch and ankle reinforcements in Dyneema®, Aramide stretch and Cordura®, the trousers will withstand heavy-duty use.

**Tick and snow protection**

Closes tightly with elastic and adjustable buttons around the ankle. Prevents snow and ticks from entering the trousers.

**Well ventilated**

Mesh lining and zippers for maximum ventilation and comfort. Adjust the airflow with the zippers at the back of the legs. Back pockets also provide airflow when opened. Mesh lining for optimal ventilation during wear, and quick drying after washing.

**Well thought-out reinforcements**

Excellent durability thanks to light and robust Cordura® and Dyneema® fabrics. For the trousers, the crotch, knees and lower part of the legs are extra reinforced, whereas the jacket is reinforced at the shoulders and sleeves.

ACTIVE CLEANING

**Keep your gear in good condition**

Protective clothing must be washed regularly to retain its effectiveness. Active Cleaning detergent is phosphate free. Also effective for cleaning saw chains, garden machines, air filters, climbing ropes 11.5 and 11.8, etc.

£25.99

## CLOTHING FOR ARBORISTS

# Tailored for high-level tree care and pruning

As a professional arborist, you have very special demands when it comes to protective clothing in terms of safety, mobility and comfort. When designing and manufacturing Husqvarna's arborist trousers, we choose the best items in our Technical and Technical Extreme models and re-design them to create the ultimate gear for arborists.

### CHAINSAW TROUSERS, TECHNICAL EXTREME ARBORIST

## Made for arborists, designed for climbing

Protective chainsaw trousers with slim-fit design. Crafted specifically for tree climbers who want the most comfortable and well-ventilated chainsaw trousers, enabling maximum productivity. Our innovative Tech-Climb provides optimised saw protection around the legs when using climbing harness or spurs. Made with 4-way stretch fabric and hook and loop adjustment to ensure perfect fit on any shape of body. Fulfils EN ISO 11393 Class 1 (20 m /s) Unisex model in sizes XS-XXL.

537 64 25-xx

£369.00

Class 1

tech climb

### Tech-Climb saw protection tailor-made for climbing

The innovative Tech-Climb feature is designed with special fibre layers tailor-made for saw protection also when using climbing harness or spurs.

### Durable and lightweight reinforcements

High tech materials with Dyneema®, Cordura® and Kevlar® for maximum resistance to wear and tear in the areas most needed. Extra reinforced crotch with stretch.

### Hook-and-loop on braces

The braces are easy to remove and put on, providing a fast and easy switch depending on the work performed.

### Easy access pockets

Side pockets with reversed zips for easy access when wearing harness, and double thigh pockets with loops for storage.

**ARBORIST HELMET, SPIRE VENT X**

**Keep your head cool and protected**

Lightweight, comfortable helmet with high-vis details for professional arborists. Optimised ventilation thanks to the many air intakes and the air space inside the helmet. Features comfortable padding from quick-dry fabric that's easily removed for cleaning. Can be fitted with hearing protection with an adapter. Approved according to EN 12492. Picture showing helmet equipped with X-COM hearing protection, sold separately.

Spire Vent X, 536 88 61-01	<b>£129.99</b>
Spire Vent, 597 68 18-01	<b>£149.99</b>
Hearing protection adapter, 599 29 72-01	<b>£9.99</b>
Can be equipped with mesh visor or three types of polycarbonate impact-resistant visors to suit your preference: clear, mirror or smoke.	
Mesh, 536 91 23-01	<b>£99.99</b>
Clear, 598 86 23-01	<b>£59.99</b>
Smoke, 598 86 23-02	<b>£64.99</b>
Mirror, 598 86 23-03	<b>£74.99</b>

**Well ventilated**

Ventilated for optimal breathability and comfort during demanding work and warm conditions.

**Comfortable chinstrap**

The four-point chinstrap is made from washable eco-leather for maximum comfort and convenient fit.

**BRACES, ARBORIST**

Extra wide braces with adjustable length that fit perfectly with the hook and loop on the arborist trousers, making it easy to remove and put on.

538 96 27-01 **£23.99**

**WORK T-SHIRT HIGH-VIS, TECHNICAL**

T-shirt with zipper front, extended back, easy access front pocket and reflective tape. This high-visibility t-shirt is tested and approved according to EN ISO 20471 Class 2 and draws moisture from the body, keeping you cool and dry. Size XS-XXXL.

Long sleeve, 596 30 38-xx **£62.99**

## TECHNICAL

# Dress up for a productive workday

The Husqvarna Technical clothing range is designed and manufactured to perform all day, every day. Task-optimised design meets modern styling, while tough, light stretch fabrics, reinforced panels, pre-bent knees and elbows provide high resistance, durability and performance. You'll look good. And you'll work even better.

Class 1

### CHAINSAW TROUSERS, TECHNICAL

## Designed for tough conditions

High-comfort, durable trousers for long workdays in rough environments. These trousers have a tight fit for men or women and are well-ventilated with quick-drying mesh lining and multiple zipper openings. Dyneema® fabric over the knees and Cordura® reinforcements on the lower legs provide extra durability. The 4-way stretch fabric adds comfort. Compliant with EN ISO 11393 Class 1 (20 m/s).

NEW

Class 1

### FOREST JACKET, TECHNICAL

## Highly durable and comfortable

Offers outstanding durability with fabrics designed to withstand tough use. Reinforced with Dyneema® fabric on the elbows for added longevity. The updated design provides a tight fit for men or women, with adjustment features and 4-way stretch fabric ensuring comfortable movement. Temperature control is made easy with a quick-dry mesh lining and ventilation zippers under the arms.

Men's, S-XXL, 546 41 78-xx **£239.00**  
Women's, XS-XL 546 43 04-xx **£239.00**

NEW

#### Pre-bent knees

The knees are pre-bent and have been tailored to provide maximum mobility without compromising safety.

#### Reinforced to withstand tough use

The jacket is reinforced with strong Dyneema® fabric on the elbows for added longevity, while the trousers feature Dyneema® fabric over the knees and Cordura reinforcements on the lower legs for extra durability.

#### Adjust for perfect fit

The clothes come with elastic drawstrings at the waist and at the lower bottom of the jacket, allowing you to adjust your gear for perfect fit.

#### Well ventilated

Openings at the yoke and lower back, along with zippers in the armpits and back of the legs, allow adjustable airflow. Mesh lining ensures optimal ventilation and quick drying after washing.

**WORK T-SHIRT HIGH-VIS, TECHNICAL**

T-shirt with zipper front, extended back, easy access front pocket and reflective tape. This high-visibility t-shirt is tested and approved according to EN ISO 20471 Class 2 and draws moisture from the body, keeping you cool and dry. Available with long or short sleeves. Size XS-XXXL.

TECHNICAL FOR BRUSHCUTTING

## Comfortable protection against twigs and branches

Wearing a harness while working long hours with a brushcutter or trimmer puts specific demands on the clothes to be comfortable and functional. Practical details in the right places, like padding and zip pockets, are as important as comfortable lining and seams, zippers for ventilation and durable protection against gravel.

### BRUSHCUTTING AND TRIMMER JACKET, TECHNICAL

#### For a comfortable day in your harness

Jacket specifically designed for working long hours with a harness. Place for extra padding to relieve the shoulders. Pockets are easy to reach while wearing a harness. Ventilation zipper on front, under the arms and a yoke in the back keep the temperature at a comfortable level. The arm construction and ergonomically pre-bent arms gives you high movability together with the 4-way stretch fabric on the back. Size SX-XXL.

597 66 02-xx

£139.99

### BRUSHCUTTING AND TRIMMER TROUSERS, TECHNICAL

#### Reinforced for extra protection

Trousers specifically designed for working long hours with a brushcutter or trimmer. Place for extra padding to relieve the hip. Water repellent material on front and side of the legs with extra padding against gravel. Surface treated fabric to simplify brushing off wet grass. Reinforcement on exposed areas increase durability and lifespan. Ventilation zippers on back of the legs keep the temperature at a comfortable level. Ergonomically pre-bent knees. Size 42 - 60.

597 66 06-xx

£129.00

#### High mobility

Specially-tailored arm design, ergonomically pre-bent arms and knees and 4-way stretch on the back result in high mobility.

#### Reinforcement fabric

The material at the knee area and end of leg is water-repellent and reinforced for increased durability and protection.

#### Ventilation openings

Ventilation zipper on front, under the arms and on the back of legs. Chest and back pockets with mesh and an open yoke on the back of jacket gives good temperature regulation.

#### Pockets for extra padding

Pockets designed for putting padding to protect and to make the load easier on your shoulders and hip during trimming.

**BRUSHCUTTING AND TRIMMER JACKET  
HIGH-VIS, TECHNICAL**

**Stay visible, stay safe  
– all day long**

Jacket specifically designed for working long hours with a harness. High visibility approved according to EN ISO 20471 Class 3. Place for extra padding to relieve the shoulders. Pockets are easy to reach while wearing a harness. Ventilation zippers under the arms and ventilation yoke in the back keep the temperature at a comfortable level. The arm construction and ergonomically pre-bent arms gives you high movability together with the 4-way stretch fabric on the back. Size XS-XXL.

597 24 59-xx

**£159.99**

**BRUSHCUTTING AND TRIMMER TROUSERS  
HIGH-VIS, TECHNICAL**

**Durable trousers that  
everyone will notice**

Trousers specifically designed for working long hours with brushcutter or trimmer. High visibility approved according to EN ISO 20471 Class 2. Place for extra padding to relieve the hip. Water repellent material in front and side of the legs with extra padding against gravel. Surface treated fabric to simplify brushing off wet grass. Reinforcements on exposed areas increase durability and lifespan. Ventilation zippers on back of the legs keep the temperature at a comfortable level. Ergonomically pre-bent knees. Size 42-60.

597 24 62-xx

**£149.00**

**High visibility**

Fulfilment of the highest classification in the high visibility standard applicable. Jacket approved according to EN ISO 20471 Class 3. Trousers approved according to EN ISO 20471 Class 2.

**Pockets for extra padding**

Pockets designed for putting padding to protect and to make the load easier on your shoulders and hip during trimming.

**High mobility**

Specially tailored arm design, ergonomically pre-bent arms and knees and 4-way stretch on the back result in high mobility.

**Tick and snow protection**

Closes tightly with elastic and adjustable buttons around the ankle on the trousers. Prevents snow and ticks from entering the trousers.

HUSQVARNA RAINWEAR

# No matter the weather, we've got you covered

Do you prefer your rainwear at work to be breathable and water-repellent? Or is a 100% waterproof and windproof garment more your style? In our range of rainwear, you'll find the gear that suits your needs, whatever the weather. Whichever model you choose, it will give you good visibility and be easy to put on and take off, keeping you dry and comfortable throughout the working day.

### RAIN JACKET VENT HIGH-VIS, TECHNICAL

A high-quality rain jacket with extra reinforcement on exposed areas. The jacket is water-repellent yet breathable thanks to its technology with laminate and taped seams. Made from durable polyester fabric with mechanical stretch. The jacket is adjustable at the waist and has a detachable hood with press buttons. The pockets feature waterproof zippers for safe storage of belongings. Approved according to EN ISO 20471 Class 3 and EN 343.

Men's, XS-XXL, 597 66 26-xx **£229.00**  
Women's, XS-XL\* 546 34 26-xx **£179.00**  
\*Sizes XS and S are approved according to EN ISO 20471 Class 2 and EN 343.

### RAIN TROUSERS VENT, TECHNICAL

High-quality rain trousers made from durable laminated polyester fabric with mechanical stretch that, together with taped seams, result in a water-repellent yet breathable garment. Reinforcement fabric over the areas from above the knee and lower inside leg. Features such as long side zippers to simplify taking on and off your trousers when needed. Waist adjustment and hooks for laces helps to keep the trousers in place. Approved according to EN343. Size XS-XXL.

597 66 27-xx **£119.00**

### RAIN JACKET PROTECT HIGH-VIS, FUNCTIONAL

Rain jacket made from polyester knitting with a durable one-sided PU coating with welded seams – a strong yet light and noiseless fabric. The design enables airflow within the jacket for long working hours in the rain. Inside chest pocket and hidden pockets on the front made to prevent water to enter, keeps your belongings safe. Approved according to EN ISO 20471 Class 3 and EN 343. Sizes: XS-XL.

597 66 28-xx **£139.99**

### RAIN TROUSERS PROTECT HIGH-VIS, FUNCTIONAL

Rain trousers made from a polyester knitting with a durable one-sided PU coating with welded seams – a strong yet light and noiseless fabric. Zippers at the sides of leg and openings at front for easy access. Waist adjustment with elastic and a drawstring and ventilation openings on the back. Approved according to EN ISO 20471 Class 2 and EN 343. Size XS-XL.

# Safety gear that doesn't restrict you

The protection of the most vulnerable parts of your body have been subjected to extensive research and technological product development at Husqvarna. Following our close, long-lasting cooperation with professional users, we can offer an excellent range of ergonomically designed personal protective equipment.

**Mips**

**Mips® safety system**  
The Mips® system is designed to provide movement inside the helmet to help reduce rotational motion to the head in certain angled impacts.

### Cool and comfortable

The ventilation system keeps your head cool and comfortable, even during hard work in hot weather.

### Easily adjustable

The one-hand wheel ratchet allows the user to quickly and easily change the fit with one hand.

### Free view visor

The unique design gives a clear line of sight with the visor in upper position.

### UV expire indicator

The protective capability decreases when exposed to sunlight. The indicator shows the condition of the helmet and when it is time to replace it.

HEARING PROTECTION, X-COM ACTIVE

Active hearing protection with intercom

Protect your hearing and communicate with your team without delay. This full duplex intercom system allows up to 10 people to be connected simultaneously. The built-in side microphones help you hear ambient sounds clearly. Developed by Husqvarna specifically for tree care teams. Sound attenuation (SNR level) 32 dB. IP45.

Headband, 536 91 31-01

£649.00

Helmet based, 536 91 32-01

£649.00

HEARING PROTECTION, X-SYNC

Active hearing protection with Bluetooth® connectivity

Protect your hearing, listen to FM radio or stream audio, and use your mobile phone hands-free while working. When you receive a phone call, the music or radio volume smoothly decreases. The built-in side microphones help you hear ambient sounds clearly. Sound attenuation (SNR level) 32 dB. IP45.
